

LET'S DREAM TOGETHER

Hi there!

Welcome to The Foundry! We are so excited about the possibility of working with you through the next stage of your life. There are a lot of questions that we would love to ask you as you are preparing, and I'm quite certain you have many questions about your future as well. We may not be able to answer all of them, but would love to help you along your way.

The Foundry is a school of discipleship. We exist to help students find and implement the call God has on their lives. You have a passion that God has given to you and a call to ministry on your life. At The Foundry we want to marry the two: Passion + Ministry. Too many ministers are giving up before they should or are not satisfied with "the call" on their lives. We believe it is because they have not found what makes them unique. We are not called to be someone else, but rather what God has created US to be as individuals.

If this resonates with you in any way, please reach out to us. Our school is a three-year program custom fit for you. Each year has a different emphasis. Year 1: Discipleship; Year 2: Leadership; Year 3: Ministry. We would love for you to consider this program as you look ahead to your future and calling. Our program is designed to work well with any student, even if they are pursuing a secular degree.

Let's dream together!
